

American Drug & Alcohol Master File

1,048,644 Drug & Alcohol Professionals

Drug & Alcohol Professionals Master File Profile:

Reach licensed and trained professionals who work with individuals struggling with addiction. These include doctors, nurses, psychologists, social workers and mental health counselors trained to treat both the physical and mental effects of substance abuse. Their goal is to help people overcome substance dependencies and maintain their recovery. Since the ramifications are widespread, these professionals often work not only with the victim of addiction, but their family members as well.
